APPLICATIONS ARE OPEN NOW

RED BULL GRADUATE PROGRAMME – IT INNOVATION GRADUATE

The programme begins July 2019 in our HQ in Salzburg. If accepted, you’ll get the chance to work with our IT department for 18 months and show us your capabilities. Your delivery and contribution during the programme will shape the scope of your future at Red Bull.

In this role, you’ll actively experiment and evaluate technology trends, screen the market to identify opportunities and create innovative concepts for service/solution improvements.

**WHAT WE EXPECT**

- Proven excellence in your academic life to date resulting in a Bachelor or Master degree (completed before July 2019)
- Natural interest in technology trends such as AI, blockchain, digital assistants, etc.
- Experience in and open to innovative working methodology (Design Thinking, etc.)
- Personal responsibility and proactivity
- Great communication and presentation skills
- Very good English skills, German is a plus

**WHAT WE OFFER**

- An intense, challenging 18-month deep-dive into the business
- A real job where you can make an impact from day 1 and show that you have what it takes
- A Job Rotation within a function that has a close link to your role
- Ongoing feedback and performance evaluations
- An intensive Graduate Training Week, as well as department and job specific trainings

Due to legal reasons, we are obliged to disclose the minimum salary according to the collective agreement for this position, which is € 1.586 gross per month. However, our attractive compensation package is based on market-oriented salaries and is therefore significantly above the stated minimum salary.
