

Grow your
Career with us

We don't talk in riddles; we speak in code. If you speak the same language as well as the customers', then this might be the right job for you! Beyond Now is a leading international provider of complex enterprise software in the form of a digital platform, powering organizations to launch new services at speed and grow revenue in an era of cloud, IoT, AI and 5G by utilizing our platform, marketplace and SaaS BSS. We're building our team with the best people, and that's where you come in.

Spring-Internship 2026: Software Developer (m/f/x) for customer projects

"Berufspraktikum" Start: March or April 2026* – 2-4 months | 8074 Raaba-Grambach | full-time (38,5 h/week) or part-time (minimum: 20 h/week) | *ideal first step toward building a lasting professional relationship.*

What you'll be doing:

As an intern, you are a fully integrated member of one of our agile development teams. You will work as a Software Developer on exciting projects in our department for customised customer solutions. Your **main tasks** could include:

- Independent implementation of customer requirements in one of our modern tech stacks (Container/AWS Serverless)
- Implementation of automated tests
- Finding, analyse and implement bug fix solutions
- Improvement and further development of internal development processes and tools
- Working with state-of-the-art technologies (Docker, Kubernetes) and public cloud platforms (AWS, Google, Azure)

What you bring to the role:

- Ongoing studies at FH/Uni (software engineering, software design, cloud computing, eHealth, data science, information and computer engineering, software engineering & management or similar)
- Quick comprehension and interest in learning and using new technologies
- Basic knowledge in the software development (e.g. Java, JavaScript, TypeScript, Python or similar)
- Good written and spoken English skills; German is a "nice to have"
- High degree of initiative, reliability, determination, and willingness to learn
- Willingness to act as a full team member for approx. 2-4 months physically in the office and remotely (approx. 60:40%). A minimum of 12 weeks are desirable for part-time work. *For an optimal introduction, a common start for all interns is advantageous and we therefore prefer a start on 02.03.2026. Please let us know your possibilities - we will try to take your wishes into account).
- You have a valid work permit for Austria.

TASKS &
RESPONSIBILITY

- **State of the art:** You will gain a lot of practical experience for your further education, especially in the field of professional enterprise software development.
- **Way of Working:** With our comprehensive onboarding- and buddy program, you will quickly become part of the team.
- **Joy:** Good cooperation and togetherness are essential elements of our company philosophy.
- **Compensation:** The monthly salary for students on full-time basis is € 1.800,- gross.
- **Prospects:** If both parties agree, we're open to staying in touch with top candidates for potential full- or part-time roles. Take this great chance to kick-start your career and explore long-term opportunities with our team. After graduation and a successful software engineering experience with us, you may pursue growth into positions like Solution Architect, Product Owner, or Software Architect—many of which offer global opportunities.
- Find out **more** about us and what else is in it for you at: <https://www.beyondnow.com/en/company/careers/work-at-beyond/>

This is how you get your internship:

- Please apply **online** by 10.12.2025 with your informative, structured CV in German or English, including your recent transcript of records, and stating the possible period of time for working. We kindly ask for your understanding should feedback be provided after the application deadline.
- Please note that we cannot accept e-Mail applications, but we are happy to help via e-Mail if you have questions.
- With a bit of luck, maybe we'll get to know each other within an interview and/or application event: **Aviso: ~15.01.2026** - Save the date!

We are looking forward
to your online application!
