For our location in **Gratkorn/Austria** we are looking for a

Student Position: Software Application Engineer (m/f/d)

NXP Semiconductors N.V. enables secure connections for a smarter world, advancing solutions that make lives easier, better, and safer. As the world leader in secure connectivity solutions for embedded applications, NXP is driving innovation in the automotive, industrial & IoT, mobile, and communication infrastructure markets. Built on more than 60 years of combined experience and expertise, the company has approximately 29,000 employees in more than 30 countries.

Your Responsibilities:
- Analyze and understand the requirements;
- Prepare an Implementation Proposal and review it with the team;
- Implement the application, adopting an incremental test and release approach;
- Keep the database well versioned and documented;
- Generate a User Manual;
- Run a Demo to the team

Your Profile:
- Ongoing studies in Software Development, Informatics, Information and Computer Engineering or similar
- Good knowledge of Linux OS and bash/tcsh scripting;
- Good programming skills of C or Python or Java
- Good understanding of Object Oriented Programming
- Good knowledge Centralized Version Control Systems (e.g. SVN, GIT, Clearcase)
- General knowledge of SW Engineering & Systems Development Lifecycle

You are:
- Well-mannered, discrete and open to feedback
- Accountable on the committed tasks, in terms of deliverables content and quality
- Autonomous, curious and with a self-driven working style
- A team player, that likes to get things done
- With solid English conversation and writing skills
- Available at least 16 hours/week

Learning Opportunities:
- Advanced SW Engineering Methodologies
- Top SW Development Tools
- Advanced Digital Design & Verification Workflows

The minimum salary for this position is EUR 13,50.- gross/hour (freelance contract).
The possibility of flexible working hours and working from home is given.

We offer various kinds of student opportunities with different time periods. If you are interested to find out more, apply online or send an email to lisa.ziermann@nxp.com
