

Are you technically minded, interested in software development projects and like customer contact? You don't want to choose one? You don't have to! Combine your diverse strengths in an innovative enterprise software company:

Beyond Now is a fast-growing Agentic Revenue & Ecosystem Orchestration platform for the age of AI – enabling communications and technology companies to sell, monetize, and orchestrate services at speed and scale. Our AI-composable platform covers the full revenue lifecycle, turning network assets, product portfolios, and partner relationships into measurable revenue outcomes.

Spring-Internship 2027: Product Owner (m/f/x)

"Berufspraktikum" Start: March or April 2027* – 2-4 months | 8074 Raaba-Grambach | full-time (38,5 h/week) or part-time (minimum: 20 h/week) | *ideal first step toward building a lasting professional relationship.*

What you'll be doing:

As a fully-fledged member of the Product Owner team, you – together with your buddy - will be jointly responsible for the successful delivery of customer projects as part of the software implementation process. Your **main tasks** could include:

- Supporting your Product Owner peers in the **collection and validation of customer requirements** together with customers and development teams
- Assisting in **Backlog-Management** – incl. creation / prioritization of backlog items acc. to timelines and project goals
- Consolidating **key input** (customer processes, customer requirements, use-case analyses, product information, workshop plans) and using them to generate PO design artifacts (user stories, process descriptions, etc.).
- **Support the Implementation Team** with the clarification on requirements, acceptance criteria, etc. from the user stories
- Providing **continuous monitoring** of the project's progress, taking into account milestones set, and taking measures in case of deviations

What you bring to the role:

- Ongoing technical and/or business studies at HTL/FH/Uni (e.g, in the field of IT, innovation and product management, business informatics, software development & management, or similar)
- Quick comprehension and interest in learning and using **cutting-edge technologies** (e.g. AI)
- Excellent communication abilities, with proficiency in both written and verbal English (German is beneficial).
- High degree of initiative, reliability, determination, and willingness to learn
- Good working knowledge of MS Office (PowerPoint, Excel, etc.)
- A proactive and reliable approach, good organizational skills, and the ability to connect easily with others

What's in it for you:

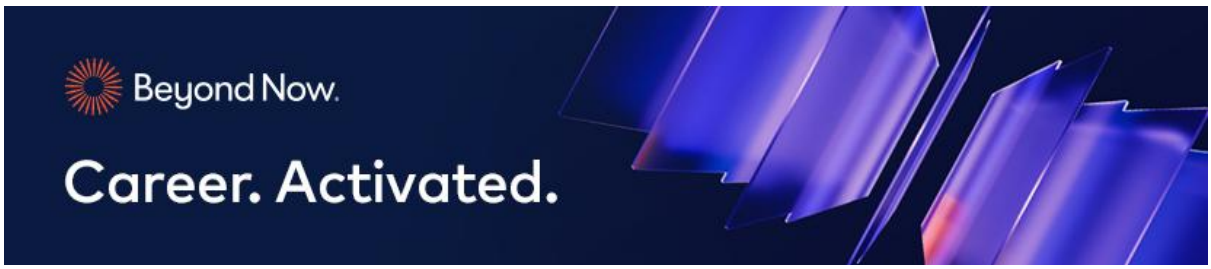

- Beyond Now **Benefits** (more to come – stay curious!):
-

We look forward to receiving your online application!

Apply now!

Beyond Now.

- **Hands-on experience:** You will gain valuable practical experience for your further education, particularly in engineering/backlog management.
- **Way of working:** With our comprehensive onboarding and buddy program, you will quickly become part of the team.
- **Team culture:** Collaboration and a strong sense of community are essential elements of our company philosophy.
- **Compensation:** The gross monthly salary for pupils is € 1,600 and € 1,800 for students.
- **Prospects:** If both parties agree, we're open to staying in touch with top candidates for potential full- or part-time roles. Take this great chance to kick-start your career and explore long-term opportunities with our team.

This is how you get your internship:

- If you are available for 2 to 4 months, either full-time or part-time (minimum duration of 12 weeks for part-time internships) and
- if you are happy with our hybrid working model, which combines approximately 60% office-based and 40% remote work, then
- please apply online by 10.12.2026 with your detailed, structured CV in English, including your recent transcript of records and indicating your preferred internship period.
- A valid work permit for Austria is required.
- If your profile matches what we are looking for, we look forward to getting to know you in an interview and/or at our application event.
- Please note that we cannot accept email applications, but we are happy to help by email if you have any questions.
