

Java Software Developer (m/f/x)

Full time – Graz

Java | Server-side High Performance Computing | Big Data | Cloud Monitoring | AI-powered | Distributed Systems

Excited about **Java development**? Eager to join a **global leader** that enables **digital transformation**? Looking for teammates who appreciate **open communication** and face **challenges** together as a team?

Who we are: Dynatrace is a leading software product company founded in Linz, Austria with more than 2,200 employees worldwide.

Our vision: We believe the world needs software to work perfectly.

What we do: Software Intelligence to simplify enterprise cloud complexity and accelerate digital transformation.

How we do it: Application performance management, Cloud infrastructure monitoring, IT Operations powered by AI and Digital customer experience.

Your role in the team

- Develop the **Dynatrace Software Intelligence Solution** in **Java** (Git, Jenkins, Gradle, Eclipse/IntelliJ)
- Depending on your preference specialization in **Full Stack** or **Server-Backend**
- Design and implement new features
- Collaborate with **local and international** development teams

Your profile

- **Technical study** related to Software Engineering
- Experience with **Java** development (ideally)
- Understanding of **Software Architecture**
- **Teammaker** and pro-active (wo)man of action

You will love this job if

- you enjoy **learning new technologies**.
- you take working with agile methods (**Scrum**) for granted.
- an **international environment** is attractive to you.
- you appreciate **team spirit** and like swapping new ideas with your teammates.

Seeing is believing – Check out our Dynatrace [Graz Lab](#).

Due to legal reasons, we are obliged to disclose the minimum salary for this position, which is € 38,010 gross per year based on full-time employment (38.5 h/week). We offer a higher salary in line with qualifications and experience.

Benefits of becoming one of us:

- **Education & Training:** Visit conferences or learn a new skill at one of our partner platforms, or at our Dynatrace University
- **World leading technologies:** Choose your own IT equipment
- **Flexible working hours & Home office:** Decide when and where you work
- **Team events:** Take part at our Skiing Day, Christmas celebration, Achievement celebration, and Team dinners
- **Fun-Corner/Gaming Area:** Have fun with your coworkers while playing table-tennis or tabletop football
- **Food & Drinks:** Enjoy fresh fruits, drinks, smoothies, snacks, and cereals
- **Food allowance:** Benefit of our food subsidy when eating lunch
- **Parking spaces and public transportation ticket:** Use our parking space in front of the building or receive a public transportation ticket
- **Health offers:** Experience cost takeovers for sport events, participate in running groups, or take part at regular fitness checks
