

Are you ready to shape the world of optical solutions with us?

The ams OSRAM Group, including the listed companies ams AG as parent company and OSRAM Licht AG, is a global leader in optical solutions. By adding intelligence to light and passion to innovation, we enrich people's lives. This is what we mean by Sensing is Life. Our around 30,000 employees worldwide focus on innovation across sensing, illumination and visualization to make journeys safer, medical diagnosis more accurate and daily moments in communication a richer experience. Whatever your role is, you are a part of a talented team that enjoys exploring and designing new technologies.

A large, white, sans-serif text 'Step up.' is overlaid on a background image of a person in a dark suit walking up a set of stairs. The background is a grid of glowing blue squares, suggesting a digital or technological environment.
