

Are you organised, interested in project management and enjoy working with different teams? You don't want to choose just one area? You don't have to! Combine your diverse strengths in an innovative enterprise software company.

Beyond Now is a fast-growing Agentic Revenue & Ecosystem Orchestration platform for the age of AI – enabling communications and technology companies to sell, monetize, and orchestrate services at speed and scale. Our AI-composable platform covers the full revenue lifecycle, turning network assets, product portfolios, and partner relationships into measurable revenue outcomes.

Spring Internship 2027: Project Management

"Berufspraktikum" Start: March or April 2027* – 2-4 months | 8074 Raaba-Grambach | full-time (38,5 h/week) or part-time (minimum: 20 h/week) | *ideal first step toward building a lasting professional relationship.*

What you'll be doing:

Working closely with your buddy, you will contribute to the successful delivery of customer integration projects.
Your **main tasks** may include:

- Supporting project planning, including timelines, resources, and budgets
- Assisting with project controlling, including scope, costs, and progress
- Supporting risk identification and documentation
- Preparing project reports and status updates
- Helping coordinate communication between internal and external stakeholders

What you bring to the role:

- Ongoing technical or business-related studies at a HTL, university of applied sciences, or university—for example, in IT, business informatics, project management, innovation management, or a related field
- Quick comprehension and interest in learning and using cutting-edge technologies (e.g., IoT, 5G)
- Good communication skills, with proficiency in both written and verbal English (German is beneficial)
- High degree of initiative, reliability, determination, and willingness to learn
- Initial knowledge of, or an interest in learning about, project management methods
- Initial knowledge of, or an interest in, agile methods such as Scrum and Kanban
- Good working knowledge of MS Office (PowerPoint, Excel, etc.)
- A proactive and reliable approach, good organizational skills, and the ability to connect easily with others

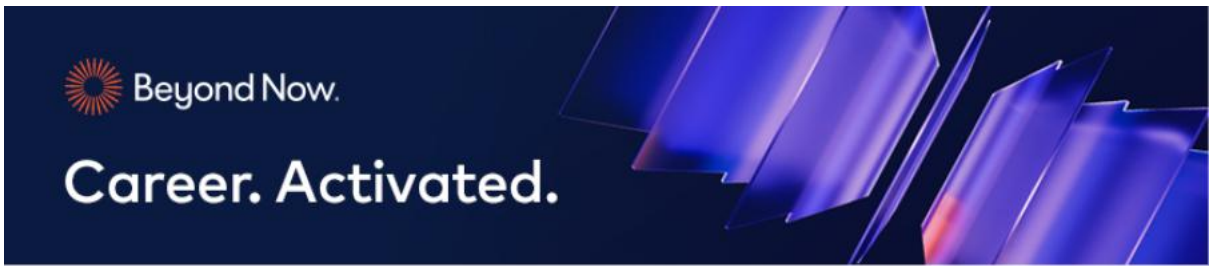

What you can look forward to:

Beyond Now **Benefits** (more to come – stay curious!):

- **Hands-on experience:** You will gain valuable practical experience for your further education, particularly in project management.
- **Way of working:** With our comprehensive onboarding and buddy program, you will quickly become part of the team.
- **Team culture:** Collaboration and a strong sense of community are essential elements of our company philosophy.
- **Compensation:** The gross monthly salary for pupils is € 1,600 and € 1,800 for students.

Apply now!

- **Prospects:** If both parties agree, we're open to staying in touch with top candidates for potential full- or part-time roles. Take this great chance to kick-start your career and explore long-term opportunities with our team.

This is how you get your internship:

- If you are available for 2 to 4 months, either full-time or part-time (minimum duration of 12 weeks for part-time internships) and
- if you are happy with our hybrid working model, which combines approximately 60% office-based and 40% remote work, then
- please apply online by 10.12.2026 with your detailed, structured CV in English, including your recent transcript of records and indicating your preferred internship period.
- A valid work permit for Austria is required.
- If your profile matches what we are looking for, we look forward to getting to know you in an interview and/or at our application event. *Tentative date: approximately 15 January 2027* – save the date!
- Please note that we cannot accept email applications, but we are happy to help by email if you have any questions.
