

Angular Frontend Web Developer (m/f/x)

Full time – Graz, Klagenfurt

Excited about **frontend development**? Wanting to join a **global leader** that enables **digital transformation**? Looking for teammates who appreciate **open communication** and face **challenges** together as a team?

Dynatrace is a **global leader** in **Software Intelligence** because **the world needs software to work perfectly**. Our innovative SaaS product helps customers to get a **self-driving IT**. Due to our **high quality standards and cutting-edge technologies** we are proud to convince customers like H&M, Delta Airlines, SAP, United Health Care, JP Morgan and many others.

Your role:

- Frontend Development of new **Web Clients in Angular** (>700 Screens)
- **Visualization of complex data sets**, depending on your interests (e.g. Dashboard, Real User Monitoring, universally usable Component-Library)
- Development of new features as well as migrating existing components to newest technologies
- Securing the **scalability** of our clients

Your profile:

- **Technical study** related to Software Engineering
- Minimum of **two years professional experience** with **JavaScript** or **TypeScript**
- Experience with **frameworks** (eg. Angular, Vue, React)
- Hands-on teamplayer with **high quality awareness** and experience with **testing**
- **Java know-how** would also be of advantage

You will love this job if

- you look for new challenges with **Angular, JavaScript** and **TypeScript**.
- you appreciate **team spirit** and you like to bring in new ideas.
- you are motivated and enthusiastic as your colleagues.
- an **international environment** is attractive to you.
- you are excited about learning **new technologies**.

Due to legal reasons we are obliged to disclose the minimum salary for this position, which is € 38,010 gross per year based on full-time employment (38.5 h/week). We offer a higher salary in line with qualifications and experience.

Please consider when submitting your CV that due to the current health crisis related to COVID-19, in our Labs in Austria, we are currently limited in extending offers to non-EU citizens. We are keeping the situation under review and would adjust our position, should the restrictive measures be removed later on. Should this affect your application, we are happy to keep it in evidence until further notice.
