

FEMtech Internship: Web Development

Company: Kickscale

Location: Remote/Graz

Duration: 2-3 Months (Full-time)

We are looking for an enthusiastic and motivated female to join our team as a Web Development Intern at Kickscale. Our company develops an intuitive E-Learning SaaS platform for sales development, and we are seeking a talented intern who is passionate about web development and eager to learn and grow in a dynamic and fast-paced environment.

As a Web Development Intern, you will be an integral part of our development team and will work closely with experienced developers to design, develop, and implement new features and improvements to our platform. You will have the opportunity to work on challenging and interesting projects, and to gain hands-on experience with modern web development technologies and practices.

Responsibilities:

- Work with the development team to understand and contribute to the design, development, and implementation of new features and improvements to the platform
- Write clean, maintainable, and efficient code
- Participate in code reviews, testing, and debugging
- Collaborate with the product team to understand and meet business requirements

Requirements:

- Currently enrolled in a bachelor's or master's degree in informatics or a related field
- Knowledge of JavaScript and web development technologies
- Passion for web development and a desire to learn and grow in a dynamic and fast-paced environment
- Team Player
- Good written and verbal communication skills
- Ability to work full-time over the summer break

Our Stack:

- React
- Javascript/Typescript
- Node.js
- Firebase
- Redux/Recoil

Why work with us:

- The opportunity to work in a young and dynamic Start-Up where every contribution counts
- The chance to gain hands-on experience with modern web development technologies and practices
- The opportunity to learn from a small and experienced development team
- A supportive and dynamic work environment with opportunities for learning and growth

If this sounds interesting to you and you want to take your skills to the next level, we would love to hear from you! Don't hesitate and send your CV and a short motivational letter to
