

JENBACHER

INNIO

INTERNSHIP IN DIGITAL DEVELOPMENT (M/F/D)

What if energy supply could be sustainable, affordable, and reliable at the same time? With its powerful Jenbacher and Waukesha gas engines, INNIO brings energy solutions for today—and tomorrow, in more than 100 countries, improving the quality of life for countless people. *Do you want to make a difference with your work?* For our Digital Department we're searching for an **Intern in Digital Development**. Join our team now!

This minimum duration of this internship is 6 months with the possibility to be prolonged for another 6 months.

Your responsibilities:

- Contribute as part of our Digital organization to the development of software solutions for the Industrial Internet of Things (IIoT)
- Work in the Software Development & Data Science Team in strong collaboration with other disciplines (i.e. Research Partners, Controls Engineering, Service, Electrical Engineering and System Design, Mechanical Design, Thermodynamics, local IT departments)
- Contribute to engineering efforts to drive digitization of our global installed gas engines and of our business processes
- Apply related software development standards, guidelines, design practices and legal instructions to design reliable and compliant products

Your Profile:

- Bachelors degree (ongoing or preferably completed) in Computer Science or related
- Software Engineers: Experience in software development of server applications in Java or experience in developing React web applications in JavaScript and TypeScript
- Data Scientists: Experience in statistical and analytical algorithm design (Python, R, MATLAB, etc.) and Machine Learning
- Affinity to design software on a high quality and maintainability level
- Passion about software development and a real team player
- **A valid work permit for Austria is a prerequisite for this position (Non-EU citizens: please attach the work permit to the application)**

The base pay is composed of the amount according to the Austrian collective agreement which is **EUR 2.195,46** gross per month (x 14) for month 1-6 and **EUR 2.763,02** gross per month (x 14) for month 7-12.

WHY INNIO JENBACHER?

International working environment & sustainable company
Owning projects, responsibility & further career opportunities
Flexible working hours, homeoffice & very good salary
15 min by train from Innsbruck to Jenbach
Canteen with seasonal and regional food
