Java Software Developer (m/f)

Full time – Linz, Hagenberg, Graz, Klagenfurt

Excited about **Java development**? Eager to join a **global leader** that enables **digital transformation**?
Looking for teammates who appreciate **open communication** and face **challenges** together as a team?

Who we are: Dynatrace is a leading software product company founded in Linz, Austria with more than 1,800 employees worldwide.
Our vision: We believe the world needs software to work perfectly.
What we do: Software Intelligence to simplify enterprise cloud complexity and accelerate digital transformation.
How we do it: Application performance management, Cloud infrastructure monitoring, IT Operations powered by AI and Digital customer experience.

Your role:

- Develop the **Dynatrace Software Intelligence Solution** in **Java** (GIT, Jenkins, Gradle, Eclipse/IntelliJ)

- Depending on your preference specialization in **Full Stack** or **Server-Backend**

- Design and implement new features

- Collaborate with **local and international** development teams

Your profile:

- **Technical study related to Software Engineering**

- Experience with **Java** development (ideally)

- Understanding of **Software Architecture**
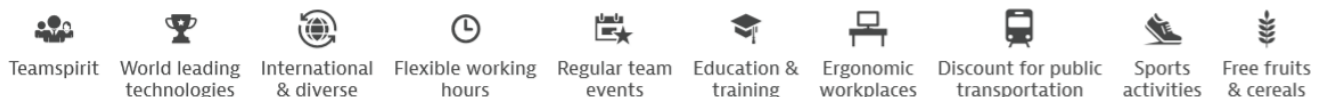

- **Teamplayer** and pro-active (wo)man of action

You will love this job if

- you enjoy **learning new technologies.**

- you take working with agile methods (**Scrum**) for granted.

- an **international environment** is attractive to you.

- you appreciate **team spirit** and like swapping new ideas with your teammates.

Due to legal reasons we are obliged to disclose the minimum salary for this position, which is € 38,010 gross per year based on full-time employment (38.5 h/week). We offer a higher salary in line with qualifications and experience.

Please consider when submitting your CV that due to the current health crisis related to COVID-19, in our Labs in Austria, we are currently limited in extending offers to non-EU citizens. We are keeping the situation under review and would adjust our position, should the restrictive measures be removed later on. Should this affect your application, we are happy to keep it in evidence until further notice.

Benefits of becoming one of us:

Teamspirit	World leading technologies	International & diverse	Flexible working hours	Regular team events	Education & training	Ergonomic workplaces	Discount for public transportation	Sports activities	Free fruits & cereals
