

YOUR  
PLACE  
TO BE

Driven by innovation? Then LOGICDATA is your place to be. With over two decades' experience developing (r)evolutionary mechatronic solutions for adjustable furniture, our growing company is an industry-leading powerhouse: setting the global standard for innovation, performance, and style. Our collection includes countless first-class mechatronic components: intelligent control units, durable actuators, and intuitive UI elements. At home and in the office, LOGICDATA defines the perfect adjustable experience.

You can take your place in the adjustable (r)evolution by joining our talented team in the following role:

## TECHNICAL DOCUMENTATION – PRODUCT DATA MANAGEMENT (REMOTE / FREELANCER) Mechanical Engineering

### Your responsibilities:

- Responsible for data maintenance in a small engineering team
- Creation and maintenance of bill of materials (BOMs)
- Adaptation and maintenance of existing component and assembly drawings
- Maintenance and control of article master data
- Ensuring the quality of bill of materials and data in the PDM and ERP system

### What we expect:

- Completed technical education (Higher Technical College or similar)
- Basic technical understanding
- Professional experience as a technical documentation engineer, design engineer or similar
- Experience with 3D CAD systems (preferably SolidWorks)
- Good MS Office skills
- Good knowledge of German or English
- Independent and accurate way of working
- Ability to work in a team and proactive personality

### The ideal working environment. Joy at work.

LOGICDATA gives you the tools and the inspiration to achieve the extraordinary. Our stunning offices, magnificent team spirit, and culture of continual improvement were crafted with just one thing in mind: to provide you with the motivation to (r)evolutionize adjustable furniture. Excited? Find out why a career with us is the only LOGICal choice by visiting our [website](#).

### Our success. Our team.

Passion, talent and dedication are core values of our team. As an employer we live diversity. Therefore, you can develop your potential with us, regardless of origin, age, gender, skin color or sexual orientation. Our offer is directed to all people equally. Market-oriented payment is self-evident at LOGICDATA and we will determine your payment together with you based on your qualifications.
