

ARE YOU READY FOR THE BEST INTERNSHIP ABROAD IN SUMMER 2026?

➤ GO INTERNATIONAL

CROATIA

INTERNSHIP: Projects in Lime production

Place of work: **Sirač, Croatia**

Period: **4 weeks between August and September 2026**

YOUR JOB

As an intern, you will support investment projects in an industrial environment and gain hands-on experience. You will assist with kiln overhauls, installation of conveyors and filtration systems, contractor coordination, and project documentation. Working closely with experienced managers, you will gain practical insight into real-world industrial projects.

YOUR TASKS

- Support the **planning, coordination, and execution** of investment projects
- Assist with **overhaul, installation**, and maintenance **activities in lime production** (e.g. kiln, conveyors)
- Coordinate with **external contractors and support production** and site management in daily operations
- Monitor **project progress** and prepare basic reports
- Conduct technical research related to **ongoing investment activities** and support compliance with safety, environmental, and quality standards
- Participate in **on-site inspections**

YOUR SKILLS

- Strong interest in **industrial processes, production, and project management**
- Structured, **analytical mindset** with good **organizational skills**
- **Team player** with strong communication skills
- **Fluency in English**; Croatian is a plus
- Currently pursuing **technical studies** (e.g. **Mechanical, Electrical Engineering**)

YOU GET

- A **unique internship** position
- A **top salary** of at least 1.600 euros (net. p.m./respective equivalent)
- A **huge kick-start** for your career
- Travel and accommodation **costs are covered**

YOUR COMPANY

InterCal, part of the Wietersdorfer Group, specializes in the production of limestone, quicklime in various grain sizes, hydrated lime, and customized lime blends. The company has locations in Austria, Slovenia and Croatia, from where it is driving market expansion from the Alps to the Black Sea. Your base will be the InterCal Croatia production site in Sirač, Croatia.

The Austrian Wietersdorfer Group is an international industrial company in the building materials and piping sectors. Its business areas include cement & concrete, lime, industrial minerals, GRP, and thermoplastic piping systems. With its subsidiaries Alpacem, InterCal, Amiblu, HOBAS, O-Tek, POLOPLAST and Calcit and its shareholdings, the family group operates in 30 countries.
