

Stand out from the crowd

Beyond
by BearingPoint.

You can't wait to be part of something big? We could be exactly what you're looking for!

Beyond by BearingPoint is a leading ecosystem orchestration and digital platform provider, powering organizations to launch new services at speed and grow revenue in an era of cloud, IoT, AI and 5G by utilizing our digital platform and SaaS BSS. We're building our team with the best people, and that's where you come in.

Product Owner (m/f/x)

Premstätten | Full-time | Immediate Start

What you'll be doing:

- You'll be responsible for customer satisfaction and profitability
- You'll co-create business model canvas and value proposition canvas, together with our solution architects and the customer
- You'll have end-to-end responsibility for in-time delivery, from creation of epics and user stories to user acceptance
- You'll manage the Backlog - including creation and prioritisation of backlog items according to timelines and project goals
- You'll act as interface between customers, software development, product management and sales
- You'll provide continuous monitoring of the project's progress, taking into account milestones set, and taking measures in case of deviations

What you bring to the role:

- Completed or current studies in the field of IT, innovation and product management or business informatics
- Professional experience as a product owner or in an agile work environment is preferable
- Passionate about cutting-edge technologies such as IoT, 5G, edge compute and digitalization
- High degree of self-responsibility, while managing complex tasks
- Strong communication skills in German and English
- Experience with Jira, Confluence or similar tools desirable

What's in it for you:

- You'll work globally across a variety of projects in multiple international locations
- You'll continue to develop your skills with cutting edge technology in an agile working environment.
- You'll join a diverse and inclusive culture and enjoy our regular company and team events to ensure we continue to grow together.
- You'll have the opportunity to partake in a variety of opportunities for training and upskilling.
- You can avail of our multiple location specific benefits.

We offer a salary in line with the market of EUR 2700 to 4000 gross per month, depending on specific qualifications and professional experience.
