An der Fakultät für Informatik der Technischen Universität Wien gelangt **nachstehende Stelle** zur Besetzung:

Die TU Wien strebt eine Erhöhung des Frauenanteils insbesondere in Leitungsfunktionen an und fordert daher qualifizierte Frauen ausdrücklich zur Bewerbung auf. Bei gleicher Qualifikation werden Frauen vorrangig aufgenommen, sofern nicht in der Person eines gleich qualifizierten Mitbewerbers liegende Gründe überwiegen.

Wir sind bemüht, Menschen mit Behinderung mit entsprechender Qualifikation einzustellen und fordern daher ausdrücklich zur Bewerbung auf. Bei Rückfragen wenden Sie sich bitte an die Behindertenvertrauensperson der TU Wien, Herrn Gerhard Neustätter.

At the Faculty of Computer Science, **Institute of Information Systems Engineering**, Business Informatics Group at TU Wien, the following position for a PhD student (Prae-doc) will be filled, starting in January 2022, or by individual agreement. The duration of the position is 4 years, 30 hours per week.

**Tasks:**

- Research in the field of artificial intelligence and model-driven software engineering
- Publication of research results in designated journals and conferences
- Participation in research projects
- Willingness to carry out a dissertation is required
- Participation in and organization of teaching
- Co-supervision of seminars, internships, Bachelor and Master theses
- Participation in university self-administration

**Your profile:**

- Completed diploma or master’s degree in business informatics, computer science or an equivalent university degree.
- Excellent knowledge of conceptual modeling, metamodeling and software engineering
- High interest in the application of AI techniques in model-driven software engineering
- Ability to independently develop the research area; high motivation for scientific work
- Excellent English skills and, if necessary, willingness to learn German
- Good communication skills and team orientation
- Stress resistance and high resilience

**We offer:**

- Interesting and varying areas of personal development at the largest technical university in Austria
- Dynamic and constantly evolving work environment
- Diverse opportunities for international cooperation
- Wide range of internal and external training opportunities
- Continuing personal and professional education and flexible working hours
- Central location of workplace with very good accessibility (U1/U2/U4 Karlsplatz)
- A creative environment in one of the most liveable cities in the world
- Additional benefits for employees can be found at the following link: Fringe-Benefit Catalogue of TU Wien
- In case of suitable professional qualifications, the extent of employment can be increased to 40 hours per week from third-party funds of the Institute
Entry level salary is determined by the pay grade B1 of the Austrian collective agreement for university staff. This is a minimum of currently EUR 2,228.70/month gross, 14 times/year for 30 hours/week. Relevant working experiences may increase the monthly income.

We look forward to receiving your application until December 30, 2021 on our job platform: https://jobs.tuwien.ac.at/Job/170052
