

MED-EL is a leading manufacturer of innovative medical devices for the treatment of various types and degrees of hearing loss. Our unique portfolio of implantable hearing solutions benefits thousands of individuals in more than 100 countries worldwide. With headquarters in Innsbruck, Austria, MED-EL has over 2000 employees around the world. In support of our continuing growth, we currently have an open position with focus on:

## Software Test Engineer (m/f)

[Apply online](#)

RD\_AI12102  
Innsbruck, Austria

### Main Tasks

- Work closely with software engineers to continuously deliver our products
- Identify, understand and mitigate risks
- Advise and implement test architectures and procedures; build, analyze and maintain continuous integration testing systems
- Design and develop robust, scalable systems to monitor and analyze real-time production applications serving our users worldwide
- Inspect and document software modules and services

### Requirements

- Passion for software quality, testing and test automation; self-driven personality that is looking forward to advocating his ideas in an agile setting
- Knowledge and experience in testing to test modules developed in .NET Core, Flutter, React and similar
- Working knowledge of NoSQL databases and data-modeling techniques as well as of REST and gRPC APIs
- An interest in learning and following cloud-native software development. General knowledge of recent research in neural networks and artificial intelligence would be a considerable advantage; strong desire for exploring, evaluating, and promoting new technologies
- Higher Degree in Systems Engineering, Computer Science or a related technical field or equivalent practical experience

Salary will be determined based on professional experience; the formal minimum salary according to Collective Bargaining Agreement is EUR 37.559,20.

We offer a challenging opportunity in a multinational work environment with English as our company language. We look forward to receiving your application at [jobs.medel.com](https://jobs.medel.com)
